### About This Game

Grab some friends and step up to the tee as you putt your way through nine unique and challenging holes in MiniGolf Mania! We've designed the controls to be very user-friendly while giving you precise control over the speed and direction of your shots. Providing hours of fun and entertainment for all ages, MiniGolf Mania is a great game at a great price!

#### Multiplayer:

MiniGolf Mania can be played solo or with up to four players locally. The game supports a single controller feature, so you don't need four controllers to play with four players.

#### The Course:

MiniGolf Mania has one arcade-themed course, featuring nice holes based on some of the classic arcade games including Air Hockey, Skee Ball, Whack-a-Mole, and Pinball. These nine holes were meticulously designed and hand-crafted, each with a unique layout and challenging obstacles.

#### The Power-Ups:

MiniGolf Mania also features six unique power-ups designed to spice up multiplayer gameplay:

- Fire – Leaves behind a trail of fire, launching any ball that touches it into the air.
- Ice – Leaves behind a trail of ice that causes any ball that rolls over it to slip and slide uncontrollably.
  - Blast – Explodes immediately when used, flinging away any nearby objects.
  - Weight – Makes your ball super heavy, making it immune to fire, ice, and blast effects.
    - Jump – Catapults your ball into the air when used.
    - Brake – Slows your ball down very quickly when used.

Dead. Dev's don't update jack\u2665\u2665\u2665\u2665\u2665. Fun game, but needs more courses.. This game may only have 9 holes, but that doesn't matter, it's a pretty cheap game, what do you expect, but it still is fun. are they going to come out with more courses or not cause it would get really boring after playing the same map over and over again. Only nine holes at the moment which take about 20 minutes to beat. Solid control system and worth the \$3.

I look forward to more holes and a custom map editor that the developer has mentioned is on their to-do list.

---

Like Mini Golf? If so then buy this game! Runs great, has fun powerups, only 9 courses now but theres more to come. This game has a lot of potential, hopefully the developers have some creative courses coming our way!. 8 Minutes! That is what this is! It's a reasonably well done 8 minutes! Controls well etc but it's way too short to justify the price tag of \u00a31.99!

I've read other reviews and seen this described as a demo and I am enclined to agree.

Sorry but I can't recomend it because I do not think it is really a full game and don't think it should be sold as such!

. We liked it.

All of the controls are solid, and everything acts as expected. It was fun to play through as a family (local) and I suspect we will play through quite a few times more before we're bored of it.

The only real downside is that there are only 9 holes, but the 9 holes are all very nice and for 2.99 (half of a trip to Starbucks) I can't really complain. Hopefully there will be more holes added in the future. Even if they're 1.99 per 9 hole DLC, I'd buy it.

Good work. Fun game.. Great game, alot of fun, great controls, great camera. I only have two complaints. First, there is only one course, and secondly the camera likes to clip through the floor now and then.. ***MiniGolf Mania plays and feels great. The controls are tight, the camera system works well, the powerups are pretty fun, but there are only 9 holes right now (launch day; 3\25\16). I mean, what is here, is great. I am excited to play some local co-op this weekend. There is no online multiplayer.***

***I played through the existing 9 holes twice in about half an hour, solo style. It is probably the best minigolf game I've played.***

***I am going to give this a thumb's up for being fun for a mere three bucks, BUT you need to be aware that while the developers may add more holes, it very well could never happen.***
